Liebherr LTM1100-5 Mobile Crane (100Ton; YOM 2008)

Key Specification

Manufacturer: Liebherr

Type: All Terrain, Mobile Crane

Chassis: 5 Axles (Drive: 10 x 8 x 10)

Condition: Used – Ready for work
(Regular Greased and Serviced)

Exceptional Boom Reach

Main Boom (6 Section Telescopic):
11.5m to 52m

The 52m telescopic boom is designed for high-altitude tasks, with an equivalent reach of a much larger machine within a compact 5-axle footprint.

Folding Jib Mounting

The boom head has integrated mounting pins that allow the 10.8m to 19m jib to be "swung" into place and locked onto the head.
